Upcoming Socials – Spring Ahead!

The Old Dover board is moving forward with planning two evening social events this spring. This April we'll gather at a new Ink Block restaurant and bar... Lion's Tail <https://www.lionstailboston.com>. And before summer hits, look for an outdoor gathering... most likely on Thayer Street! Open discussion at next week's meeting and more details to

follow.

Neighborhood 'Slow Streets'

Please support Old Dover's application to designate Harrison Ave, from E Berkeley St to Malden St, as a "Neighborhood Slow Street" zone. There are currently over 200 signatures.

This petition is to gather support for Old Dover Neighborhood Association's "Slow Street" Application. We believe that Harrison Ave is a dangerous roadway in need of traffic calming efforts. The region that stretches from E Berkeley Street to Malden Street is populated with local shops, restaurants, a day care, school, homeless shelter, and hundreds of new residences that have been developed in just the past few years.

Join Old Dover for spring clean-up of Peters Park, Saturday, May 6 in the morning. Further details to follow.
